# POCKET PUMP & BELLOWS QUICK START GUIDE

Whether you're inflating your camp mattress after a long day on the tracks or giving the fire a good old stoke, the Dhubite Pocket Pump & Bellows is your new campsite essential. Compact, lightweight, and easy to use, this little beauty punches well above its weight – it inflates, deflates, and even lights up your setup with a built-in camp light. From dusty deserts to coastal camps, we've got you covered. So save your lungs (and your eyebrows) and let Dhubite help you breathe life into your next adventure.
